PRESENTATION  
PRIMARY SCHOOL

## Enrolment Application Procedure

Iona Presentation Primary School is a two-stream primary school catering for approximately 420 students from Kindergarten to Year 6. Iona offers a co-educational learning environment from Kindergarten to Year 3. Our upper primary years are specifically designed to cater for the needs of girls.

Enrolments are dependent on the following conditions:

- Catholic children will be accepted at Iona Presentation Primary School if a vacancy exists.
- If a vacancy exists, other non-Catholic children will be accepted as students.
- All parents, Catholic and non-Catholic, must have an appreciation of the Christian values and ethos of the school and endeavour to reflect those values.
- Parents are urged to reflect and uphold the faith, love and values promoted at school. If parents neglect this aspect of their child's education, there exists in the child's mind a conflict between the religious values of the home and those of the school.
- The gift of faith is free and every person has the right to hear the Christian message.

It is anticipated that parents/guardians will support and encourage their children with:

- Religious education, sacramental preparation programmes and celebrations at school
- All school activities
- Abiding by the school uniform dress code
- Cultivate a community spirit between parents, students and staff
- Show respect, friendship and responsibility towards staff, the school and each other

The intake year for Iona Presentation Primary School is Kindergarten. The school waitlists all applications until positions become available.

Upon places being available for the required year level, successful applicants will be invited for an interview with the school Principal. This will give the applicants the opportunity to be informed about the school's programmes and view the campus. Existing families will be interviewed by the Assistant Principal.

Following the interview, successful applicants will be sent a letter of offer for a position at the school in the requested year level. Upon acceptance of the offer, a non-refundable admission fee of \$600.00 is payable to secure the position. Offered positions are not transferable to other years. Please note that an interview is NOT a guarantee a position will be offered.

Iona Presentation Primary School applies the Catholic Education Office policies for students with Disabilities, Gifted and Talented, and Indigenous Australians.
