Iona P&F Meeting

Wish List items 2015

These are in order of preference for **Michael, IT**

1) BeeBots - set of 6 - \$360

Beebots are little programmable robots which will be used primarily in P-3, although we will probably use in Upper Primary as well. We use these to teach students how to write instructions and use directional language in Maths.

2) A greenscreen (for use across the school) - \$190 for one with the lights (which I think will help us get a more professional result).

This would get a LOT of use across the school, including in the early years - a number of teachers have been asking about this. Greenscreens will be used to enhance our movie projects.

3) I would love some iPad Minis for Early Childhood (a few for Kindy, some for PP). They are currently using old and unwieldy iPad 2s which have terrible cameras, and are very heavy for the younger students.

Total cost for 10 would be \$3000, plus \$400 for cases.

Susie Year 6

Couch for the classroom. Either the one that the Year 4/5's have (KILIPPAN Two-seat sofa \$289) or I know that there is another that is \$99 (the KNOPPARP two seat sofa, grey cover).

Year 4s

Two storage units with tubs (as per currently in classrooms – 1 each) \$1500
